

## GERMANY-SINGAPORE BUSINESS FORUM 2018

**Tuesday, 24 April 2018, 9:30AM – 4:00PM**  
**Hannover Messe Fairground, Hall 2, ROM room**

Inaugurated in 1994, the biennial Germany-Singapore Business Forum (GSBF) has been instrumental in promoting business and capability partnerships between German and Singaporean companies. This year, the GSBF is held in conjunction with Hannover Messe 2018, the world's leading industrial technology and integrated energy show.

Singapore's Minister for Trade and Industry, Mr S. Iswaran, will grace the forum which will feature two panel discussions where industry veterans – such as Dr. Armin Bruck, CEO of Siemens Ltd, Singapore, and Dr. Claus Trenner, President of Singaporean-German Chamber of Industry and Commerce – will offer invaluable insights into the latest opportunities for German-Singapore partnerships to capture regional market opportunities and explore innovative collaboration.

Through a business-matching session, GSBF 2018 will also provide participants a platform to explore collaboration with like-minded counterparts.
