ICE-BSD City, 16-20 October 2019

Dear Sir/Madame,

The Government of the Republic of Indonesia will host the annual international trade exhibition, Trade Expo Indonesia (TEI), that will bring together business communities and trading partners from Germany and around the globe with Indonesian counterparts. This B2B event is designed to boost Indonesia's trade flows and market expansion.

The 34th TEI 2019 will be held at the ICE-BSD City on 16-20 October 2019. The theme of TEI 2019 is "Moving Forward To Serve The World", with aims to promote quality products made in Indonesia for the global market, develop business networks, investment and present showcases of Indonesian premium and high quality products.

During the exhibition, TEI also presents a series of parallel activities such as Trade, Tourism and Investment (TTI) Forum, Business Matching, Business Counseling, Regional Discussion, Overseas and Local Trade Mission, Export Start-up Competition, and Talk Show.

Indonesia is the fourth most populous country in the world with a young work force and large growing middle class. Indonesia is one of the world's leading economies, and the largest economy in South East Asia. It is foreseen that Indonesia will become one of the 10th largest economies by 2030.

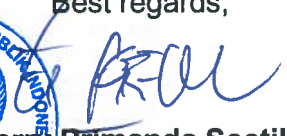

In light of this, we would like to invite your company/institution to attend the 34th TEI 2019. We believe it would be an important and unique opportunity for your company/institution to meet, network, and conduct business with Indonesia.

Please find attached herewith the Program Flyer of the 34th TEI 2019. Should your company be interested to attend or require further information, please contact our Economic Section with Mr. Lucky Saud, Tel. +49 69 2470980, email: bidekon@kjriffm.de.
